

Farm Financial Health Check

If you can tick any of the following – you may benefit from speaking with one of our rural financial counsellors:

- I need assistance to prepare my cash flow budget
- I have to prioritise which bills get paid and which can wait on a very regular basis
- I have one or more credit cards at or near the limit
- At least one of the past three business activity statements (BAS) was not paid on time
- My farm has made net losses for three (3) out of the last five (5) years
- I am 55+years of age and haven't considered a retirement or exit plan from farming
- I am feeling some level of stress about my financial position
- I don't know how to improve my financial situation
